

1 This is the thirteenth of several applications for authority to distribute portions of
 2 the money plaintiffs received from Exxon as partial payments on the punitive damages
 3 judgment entered by the United States Supreme Court. The current application to
 4 distribute punitive damages covers claimants scheduled to receive punitive damages
 5 principal and interest payments in any of the 51 claim categories that have multiple
 6 impairments on their claims.¹ See Declaration Of Lynn Lincoln Sarko In Support Of
 7 Lead Counsel's Thirteenth Punitive Damages Application For An Order Distributing
 8 Exxon Qualified Settlement Funds To Claimants In Various Categories And Their
 9 Attorneys, filed herewith.

12 Exhibit A to Mr. Sarko's declaration sets out the amounts of punitive damages
 13 principal going to claimants in the various categories. There are 135 claims being paid,
 14 the total amount of which is \$871,539.15. Exhibit B to his declaration sets out the
 15 amounts of punitive damages interest going to claimants in the various categories. There
 16 are 532 claims being paid, the total amount of which is \$7,291,210.33 .

20
 21 ¹ Because there are over 1600 such claimants, approximately 600 of which were covered by the
 22 12th application, and it may take at least three months for all of them to be processed, this
 23 application does not include all claimants with multiple impairments who remain entitled to a
 24 punitive damages distribution, but supplements the 12th application. Mr. Sarko has indentified
 25 those claimants whose claims he expects can be processed within a month of the Court's order
 approving this application. Mr. Sarko anticipates making a third application to complete the
 remaining additional claims with multiple impairments in approximately one month.

1 The dollar figures provided in Exhibits A and B are gross dollar allocations on claims
2 prior to any deductions for attorneys' fees or costs. The total amount of gross payments
3 under this Thirteenth Distribution Application is \$8,162,749.48.
4

5 A proposed order is attached authorizing the proposed distributions discussed in
6 this application.

7 Respectfully submitted this 15th day of July 2010.
